Eighteen participants from ten countries i.e. Ethiopia, Ghana, Palestine, Tanzania, Tunisia, Sri Lanka, Vietnam, Kenya, Tajikistan and Sudan took part in the training.

Introduction to Trainees:

Dr. Mighri Hedi
Tunisia
Researcher,
Arid Land Institute

Mr. Bizuye Masresha
Ethiopia
Fruit and Vegetable
Senior Expert, Ministry of
Agriculture and
Natural Resource

Mr. Richard Yaw
Ghana
Government officer,
CSIR Savanna Agriculture
Research Institute

Mrs. Mariya A. I. Elomary
Sudan
Agriculture Engineer,
Ministry of Agriculture
and Forestry

Dr. Bakokhoja Giyasidinov
Tajikistan
Scientist, Institute of
Botany Plant
Physiology and Genetics

Mr. Saed W. M Ali
Palestine
Project Coordinator,
Union of Agricultural
Work Committees

Mrs. Ruba M. Y. D
Palestine
Project Coordinator,
Agricultural
Development Association

Mrs. Dana M. A. Nasrallah
Palestine
Trainee,
Agricultural
Development Association

Dr. Abdellaoui Raoudha
Tunisia
Researcher,
Arid Regions Institute

Ms. Giang Hong Dang
Vietnam
Researcher,
Field Crop
Research Institute

Mrs. Mwamu Magwe
Tanzania
Agriculture Tutor,
Ministry of Agriculture

Mrs. Mary V. Rutatinisibwa
Tanzania
Agriculture Officer,
Ministry of Agriculture
Livestock and Fisheries

Mr. Lawrence Yobu Ndosi
Tanzania
Agriculture Field Officer,
Ministry of Agriculture
Livestock and Fisheries

Mr. France Daudi
Tanzania
Agriculture Tutor,
Ministry of Agriculture
Livestock and Fisheries

Mr. Sampath Chaminda
Sri Lanka
Agriculture Instructor,
Department of Agriculture

Mrs. D. Jumakhonzoda
Tajikistan
Leading Specialist,
Ministry of Economic
Development and Trade

Formal Inauguration of International Training Programme was done by Shri Dinkar Asthana Joint Secretary (DPA-II) MEA, Government of India on 13th February, 2017

International Trainees Participate in Horti India 2017 on 9th and 10th February, 2017

The event Horti India-2017 organized by Institute of Horticulture Technology coincides with International training and the participation took full advantage of the same. The event turned out to be the most appropriate learning experience for the international trainees and helped them grasp the latest technologies in vegetable production. Participants were awarded certificate of participation in HortiIndia-2017 and individual interactions of the participants with Dr. K.L. Chadha, Padmashree Awardee and Chairman of IHT was organized.

International Trainees Ms. Dana (Palestine), Mr. Sae'd (Palestine), Mr. Bizuye (Ethiopia), Ms. Giang (Vietnam) receive their participation certificate in Horti India 2017 from Dr. K.L. Chadha Padamashree Awardee Chairman of IHT.

International Trainees Ms. Mariya Abdalla (Sudan), Ms. Ruba Daas (Palestine), Mr. Richard (Ghana), Ms. Mwamu (Tanzania), Ms. Mary (Tanzania), Mr. Lawrence (Tanzania) receive their participation certificate in Horti India 2017 from Dr. K.L. Chadha Padamashree Awardee Chairman of IHT.

Horti India- 2017 (9th and 10th Feb, 2017): International Trainees clap as participants receive certificates from Dr. K.L. Chadha

International Trainees Dr.. Bakokhoja (Tajikistan), Mr. France (Tanzania), Ms. Dilorom (Tajikistan), Dr.. Raoudha (Tunisia), Dr. Mighri (Tunisia), Mr. Sampath (Sri Lanka) receive their participation certificate in Horti India 2017 from Dr. K.L. Chadha Padamashree Awardee Chairman of IHT.

International Trainees listen keenly to the workshop seminars on conventional and protected vegetable production systems at Horti-India, 2017 in IHT Technology Park Greater Noida, India 9th and 10th Feb, 2017.

Exposure visits of International Trainees

International trainees were given full opportunity to visit farmers' fields and go into country side. They visited and stayed at night in Agra and Jaipur.

International trainees visited Agra to see Taj Mahal and on way to see open field vegetable production systems in the farmers field- 18th Feb, 2017.

International Trainees pose for photo at Red Fort Agra.

International Trainees at Jaipur, famous Jal Mahal is seen in the backdrop

International Participants in Pink city Jaipur on 19th Feb, 2017

Extra-curricular Activities were specially arranged for International Trainees

All Saturdays and Sundays were fully utilized for extra-curricular activities from cooking of choicest dishes to visit to traditional Indian markets.

26th Feb, 2017, Different Nationalities- "Food is every bodies need but in taste all differ" Trainees making choicest food of their countries at IHT technology park.

Interactive Lecture

Thirty interactive lectures by in house national and international faculty were delivered to the participants in state of the art class rooms and most modern audio visual aids.

Thirty interactive lectures were given to international trainees on various aspects of "Modern Vegetable Production"

‘Hands on Trainings’ and Demonstrations:

As many and twenty sessions of two hours durations were run for the benefits of international trainees, so that skills in modern vegetable production could be transferred and purpose of “Trainers Training” could be achieved.

During four weeks training programme participants- raised their own plug transplants of cucurbits and transplanted them in the field. The low cost low tunnel technology to fully automatic production in the green houses was covered.

Valedictory Function of International Training

The valedictory function was conducted on 3rd March at India International Center, New Delhi and was presided over by Shri H.K. Sharma Director (DPA-II) MEA Government of India.

Valedictory Function Organized for ITEC Trainees at India International Centre New Delhi was Presided by Sh. H K Sharma Director ITEC programme Government of India

Closing Function and “At Home” on 7th March 2017

A closing and at home was held at IHT Greater Noida on 7th March 2017 and certificates were given away by Dr. Umesh Kohli, Director IHT.

Ms. Dana (Palestine) receiving successful training completion certificate from the Director IHT and Mr. Lawrence (Tanzania) receive his souvenir before returning to their countries

International Trainees Feedback was very encouraging

Most participants rated Institute of Horticulture Technology as an excellent institution for providing international standard training. Feedback forms of two participants is reproduced below

The outcome

International training organized and conducted by IHT was a grand success as the purpose of sharing Indian development experience with developing countries was fully served by Horti India-2017 and four week interaction lectures and hands on training in modern vegetable production technology served the purpose of trainers training.
