हिंदी दिवस समारोह 2021

हिन्दी दिवस प्रत्येक वर्ष 14 सितम्बर को मनाया जाता है। 14 सितम्बर 1949 को संविधान सभा ने यह निर्णय लिया कि हिन्दी केन्द्र सरकार की आधिकारिक भाषा होगी। क्योंकि भारत में अधिकतर क्षेत्रों में ज्यादातर हिन्दी भाषा बोली जाती थी इसलिए हिन्दी को राजभाषा बनाने का निर्णय लिया और इसी निर्णय के महत्व को प्रतिपादित करने तथा हिन्दी को प्रत्येक क्षेत्र में प्रसारित करने के लिये वर्ष 1953 से पूरे भारत में 14 सितम्बर को प्रतिवर्ष हिन्दी दिवस के रूप में मनाया जाता है। हिंदी दिवस का उत्सव भारतीय आबादी को उनकी सामान्य जड़ों और एकता की देशभक्ति की याद दिलाता है।

इस अवसर पर, इंस्टीट्यूट ऑफ हॉर्टिकल्चर टेक्नोलॉजी ने लघु संवादात्मक व्याख्यानों की श्रृंखला का आयोजन किया प्रतिभागी आईएचटी के अध्यापक और अन्य कर्मचारी दोनों थे, वक्ताओं ने राष्ट्रीय भाषा के रूप में हिंदी के महत्व और इसके संबंध में उचित समर्थन प्राप्त करने की चुनौतियों पर प्रकाश डाला।

आईएचटी के सह-अध्यक्ष श्री संदीप सूदन जी ने प्रतिभागियों को आईआईटी और यूपीएससी प्रवेश परीक्षाओं में हिंदी को एक भाषा के रूप में प्राप्त करने में लोगों द्वारा किए गए बलिदान के बारे में याद दिलाया। उन्होंने आगे भारत के नागरिकों को जोड़ने में भाषा के महत्व पर प्रकाश डाला। उन्होंने भारत के युवाओं से हिंदी भाषा को बढ़ावा देने और इस भाषा की प्रगति के लिए जुड़े रहने के लिए आगे आने और हाथ मिलाने का आग्रह किया।

HINDI DIWAS CELEBRATION 2021

Every year from 14 September to 21 September, Rajbhasha Week or Hindi Week is celebrated on the occasion of Hindi Diwas. Hindi got an exalted status in India on September 14, 1949, when it was adopted as the official language of the country. Since then September 14 is celebrated as Hindi Diwas to pay tribute to the official language of India. Today, Hindi enjoys the status of Rashtra Bhasha. Its basic objective is to increase the spirit of the development of the Hindi language among people by not just limiting it to the Hindi Diwas only. The celebration of Hindi Diwas stands as a patriotic reminder to Indian population of their common roots and unity.

On this occasion, Institute of Horticulture Technology organized series of short interactive lectures, the participants were the both the faculty and other staff of IHT, the speakers highlighted the importance of Hindi as a national language and the challenges in having appropriate support with respect to the availability of scientific literature and use in the administration in majority of the states. Sh. Sandeep Sudan, Co-Chairman IHT, reminded the participants with the sacrifices made by people in getting Hindi as a language in IIT and UPSC entrance tests. He further highlighted the significance of the language in connecting the citizens of India. He urged youth of India to come forward and join hands in promoting Hindi language and stay connected for the progress of this language.

IHT EDUCATION

American Embassy, New Delhi deputs Gardners to IHT for “Hands on Trainings”

The U.S. Embassy in New Delhi is one of the largest U.S. diplomatic missions in the world, a reflection of the importance the United States places on its relationship with India. The Embassy represents 17 U.S. federal government agencies, from the U.S. Department of State to the Federal Aviation Administration.

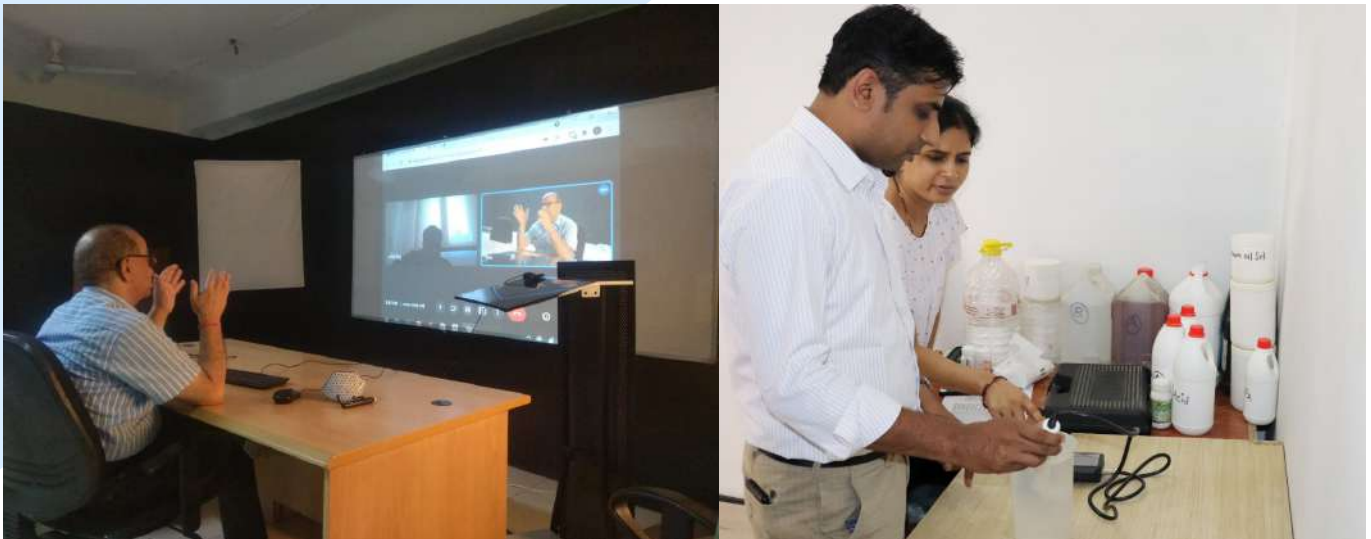

The embassy deputed its Gardeners to the IHT, a premier Institute for imparting hands on trainings to the Gardeners and other landscape staff. IHT organized 2 weeks training programme for the all the embassy gardeners of Delhi on “Modern Gardening Practices”. These trainings covered all the major areas necessary for laying to the mainteneance of the gradens and was very well received and acclaimed by the participants including their seniors incharges.

Hands on Training for the gardeners of American Embassy in IHT's Technology Park

Landscape Horticulture: IHT organized 2 weeks' landscape horticulture training programs in September for trainee(s) seeking career in landscaping. Landscaping has very important role as people have become more aware about the clean environment around the residences, offices be it embassies, cantonment, offices, official and private residences etc.

Commercial Hydroponics: IHT organized 2 weeks training programmes on "Commercial Hydroponics" entrepreneurs came from different regions from India. The course was conducted both in online classes and hands on training in institute.

Online Lectures and Hands on Training in Institute on Commercial Hydroponics
